

Hyoka or Hyouka - - . Plot Summary: *Based on the light novel series by Yonezawa Honobu. The story follows a boy named HÅrÅ who is unsure of . Unlike most other anime, where the hero, once in a situation, tries his best to fix it. Hotaro, surprisingly, does not try to fix the situation, but simply blows everything to hell and moves on with life, enjoying this very life . Why do I love this series? - Firstly, it is its atmosphere. This anime is about people, at its core, and not about machines, like many others. It has human experiences, problems, feelings. It's an anime about people, so I love it for that.
